### ADA/Inclusion Support

In keeping with the Americans with Disabilities Act (ADA), Fairfax County is committed to giving all residents equal access to recreational opportunities. Park Authority activities, programs, camps and classes are inclusive, and reasonable accommodations are available for people with disabilities. ADA accommodations include sign interpreters, assistive listening devices, program modifications and inclusion support. To request accommodations, or for more information about adapted program opportunities, call 703-324-8727. The Park Authority makes every attempt to provide accommodations; however, fulfillment of requests received with less than 10 days notice cannot be guaranteed.

### Facility Accessibility

The Fairfax County Park Authority offers parks and facilities that are accessible to all Fairfax County residents. For information on accessible features or issues associated with usage, call 703-324-8727 or visit [www.fairfaxcounty.gov/parks/ada-inclusion](http://www.fairfaxcounty.gov/parks/ada-inclusion).

### Follow guidelines when registering

We suggest if it has been a month or longer since a student has participated in a swimming lesson, that they repeat the previous course completed. If you have any questions about which class is right for you or your child, please contact the Adapted Program Specialist at 703-324-8565. For safety reasons and to ensure customers get the maximum aquatic program benefits, the Park Authority reserves the right to remove students from an inappropriate class and either issue a refund or place them, when possible, in a class that better matches their ability.

### Practice and Repetition are keys to success

Each student progresses at a different speed in learning aquatic skills. Students often repeat a level several times before developing the endurance and skill proficiency necessary for advancement. Repeating a level does not constitute failure; it is to be expected. Mastering skills takes time, practice, and patience.

## Aquatics

Scan the QR code to go directly to the Parktakes Online Aquatics page.

Fairfax County Park Authority aquatic facilities offer something for all ages and levels of swimming ability. Monthly calendars listing pool hours are available at the Park Authority's Rec Centers and online at [www.fairfaxcounty.gov/parks](http://www.fairfaxcounty.gov/parks).

### Follow guidelines when registering

We suggest if it has been a month or longer since a student has participated in a swimming lesson, that they repeat the previous course completed. If you have any questions about which class is right for you or your child, please contact the aquatic staff at your favorite Rec Center. For safety reasons and to ensure customers get the maximum aquatic program benefits, the Park Authority reserves the right to remove students from an inappropriate class and either issue a refund or place them, when possible, in a class that better matches their ability.

### Practice and Repetition are keys to success

Each student progresses at a different speed in learning aquatic skills. Students often repeat a level several times before developing the endurance and skill proficiency necessary for advancement. Repeating a level does not constitute failure; it is to be expected. Mastering skills takes time, practice and patience.

### Combining course levels

When enrollment is low, course levels may be combined to avoid class cancellations.

### Pool Health Information

For more information about practicing healthy swim habits, please visit: [www.fairfaxcounty.gov/parks/rules/pool/pool-health](http://www.fairfaxcounty.gov/parks/rules/pool/pool-health)

### Small-Group Lessons

Rec Centers offer small-group lessons. This lesson option complements the Park Authority's other swim instruction offerings:

- Private Lessons for students ages 3 to adult offer one-on-one instruction solely based on the student's skill level.
- Semi-private lessons for students ages 3 to adult offer instruction between two participants of similar ability and one instructor.
- Small-group lessons offer the same curriculum as the larger, traditional group lessons but to a smaller group of swimmers. Small-group lessons lower student-to-teacher ratios, offer more personalized instruction and provide more practice time than large-group lessons.

Traditional group lessons offer a comprehensive curriculum for participants ranging in age from 6 mos. to adult.

### One on One Swim Lessons

**(3-Adult)** Children must leave parent willingly, be comfortable in the water, and be able to follow simple directions. Private swim lessons are a great way to improve swimming skills and water safety techniques of any level. With one-on-one swim lessons, an instructor can spend more time helping overcome obstacles which may require more time or dedication than a standard swim lesson. Lessons are also available for adult swimmers. Senior discount does not apply to these lessons. See website for details and times.

### Swim Classes for Children

#### Baby & Me Swim

**(6 mos.-18 mos.)** Register your baby for this class designed for babies and their parent(s), or other favorite adult who want to learn water adjustment and aquatic skills together in a fun environment. Learn how to enter and exit the water in a safe manner, feel comfortable in the water and explore submerging to the mouth, nose and eyes. Explore buoyancy on front and back, change body position and learn safety information. Two adults may participate with each child. Babies must wear a tight-fitting swim diaper and plastic pants under their bathing suit.

## Preschooler and Me Swim

**(3-5 yrs.)** Register your preschooler for this class designed for children and their parents(s) or other favorite adult(s) who want to learn water adjustment, basic swimming and safety skills in a fun environment. Up to two adults may participate with each child. Children not toilet trained must wear tight-fitting swim diapers and plastic pants. This class is designed especially for children who have limited group social experience and are reluctant to leave their parents. All teaching is done through the adult. Skills: Same as Pee Wee Paddler I.

## Pee Wee Paddler I

**(3-5 yrs.)** Prerequisite: Child must leave parent willingly, be comfortable in the water, follow directions and function well in a group. When possible, children are grouped by ability. Class emphasizes helping children gain basic aquatic skills including entering and exiting the water safely, blowing bubbles with mouth and nose submerged, submerging under water. With assistance students learn to float and glide on front and back, rolling from front to back and back to front, swimming using arms and legs on front and back at least two body lengths. For safety reasons, flotation devices may be used. Flotation devices are used for all Pee Wee I classes at Audrey Moore and Franconia Rec Centers.

## THE 4 S'S OF WATER SAFETY

**SUPERVISION** Children should be directly supervised by an adult, even in the presence lifeguards. Non-swimmers should be within reach of the supervising adult at all times.

**SECURE** Secure your private pool with a locking fence.

**SWIM** Learn how to swim well. The Park Authority offers a wide variety of swimming and water safety classes.

**SAFE** Swim in safe areas only. Ideally, swim only in places supervised by a lifeguard.
